(Hank Williams)

You wore out a brand new trunk  
Packin' and unpackin' your junk  
Your daddy's mad, he's done got peeved  
You're gonna change or I'm a-gonna leave.

Chorus:

You're gonna change your way of livin'  
Change the things you do  
Stop doin' all the things that you oughten too  
Your daddy's mad, he's done got peeved  
You're gonna change or I'm a-gonna leave.

This ain't right and that is wrong  
You just keep naggin' all the day long  
Its gotta stop, I don't mean please  
Now, you're gonna change or I'm a-gonna leave.

The way to keep a woman happy and make her do  
what's right  
Is love her ev'ry mornin', bawl her out at night  
Your daddy's mad he's done got peeved  
Now, you're gonna change or I'm a-gonna leave.

Ev'ry time you get mad  
You pack your rags and go back to dad  
You tell him lies he don't believe  
Now, you're gonna change or I'm a-gonna leave.

Chorus:

You're gonna change your way of livin'  
Change the things you do  
Stop doin' all the things that you oughten too  
Your daddy's mad, he's done got peeved  
You're gonna change or I'm a-gonna leave...
