He was your life long friend, become a memory  
Remember your ally, remember who betrayed

[Bridge I:]

You think you've been so true, no regrets, no regrets  
Be honest with yourself  
No time for lying tears, no time for

He watched you climb the stairs  
Wishing he could be there  
Remembering the past, longing for it at last

[Repeat Bridge]

[Chorus:]

Wake up! Behold you are trapped!  
On the verge of tears  
You're so vain, you're so lame  
You're so vain, you're so lame

[Solo]

Let's go!

[Solo]

[Special:]

Let sleeping dogs lie!

You were a life long friend  
Become a friend of spite  
You forsook your ally  
It's now time for  
For lying tears

[Repeat Chorus]

You're lame

Remember the, remember the,  
Remember the, remember the past
