Yeah I'm floating in the air
And I don't seem to have a care,
Where you are
Boy that's what you do to me, yeah
You making me care
So get away boy, I'm falling for you
And I don't want to
Stop, erase every song, every ...
Gimme all, gimme all, gimme all
All the truth just my fall
After all, I stand tall
All I want, all I want, all I want

[Chorus]
I feel butterflies,
When I'm holding you
When I'm touching you like this
I feel butterflies,
When I'm holding you
And I taste up in your kiss
I feel butterflies,
When I'm holding you
When I'm touching you like this
I feel butterflies,
When I'm holding you
And I taste up in your kiss

And I don't mean to be extreme
Where you are
But our love is love unseen
And I can scream, so high
Cause that's how you make me feel, feel, feel, feel
So get away boy, I'm falling for you
And I don't want to
Stop, erase every song, every ...
Gimme all, gimme all, gimme all
All the truth just my fall
After all, I stand tall
All I want, all I want, all I want

[Chorus]

I feel butterflies,
When I'm holding you
When I'm touching you like this
I feel butterflies,
When I'm holding you
And I taste up in your kiss
I feel butterflies,
When I'm holding you
When I'm touching you like this
I feel butterflies,
When I'm holding you
And I taste up in your kiss

Butterflies, butterflies
Butterflies, butterflies
Butterflies, butterflies.
