Valentine, Brooke Lyrics

"Cover Girl"

Hey, oh oh oh

Hey, oh hey

Oh yeah, oh yeah

I wish I could be

That girl in the magazine everybody sees

She so pretty, I wish I could be

When I close my eyes I see

What you want me to be

That girl

[chorus]

Wish I could be your Cover Girl

Mascara, and lipstick

I would be so pretty

A little blush, not too much

But maybe you don't know this

That I could be your Cover Girl

For accept me for me

Cover Girl

Boy, when you're alone with me

I'm takin' good care of you

Givin' everything you need

I don't know if it's good enough for you

Cause you're always in the TV

When you're right here next to me

I know I'm not Halle Berry, girls from videos

I just want to be someone you can hold

I just want to be someone here for you

Baby, baby

[chorus]

Wish I could be your Cover Girl

Mascara, and lipstick

I would be so pretty

A little blush, not too much

But maybe you don't know this

That I could be your Cover Girl

For accept me for me

Cover Girl

Boy, I love you
Just the way you are
And if you feel the same way bout me
Beauty is only skin deep, baby
Boy, I don't need accesories to magnify my beauty
Could you just love what you see

[chorus]

Cover girl, yo Cover Girl
Mascara (mascara), and lipstick (and lipstick)
I would be so oh pretty (so pretty)
A little blush, not too much
But maybe you don't know this
That I could be your Cover Girl
For accept me for me

Mmm, I can be
I can be
Your Cover Girl
Your Cover Girl
Mascara, and my lipstick, I'd be so oh pretty
I can be everything you need, you need
I can be be
For you baby
Your Cover Girl
Cover Girl
Cover Girl
