Hey, oh yeah  
Ooh, ey, ey

Oh, they gon' know who we are  
(Ey, ow)  
Oh, they gon' know who we are  
(Ey, ey)

We're the ones you used to run from  
Everyday at school, lookin' so fresh, so clean, so cool  
Still a menace to society but that's fine with me  
'Cause we still fly as can be

Oh, c'mon work that body  
(Uh, oh)  
C'mon get naughty  
(Oh)  
C'mon work that body, c'mon get naughty  
They gon' know who we are

Oh, c'mon work that body  
(Uh, oh)  
C'mon get naughty  
(Oh)  
C'mon work that body, c'mon get naughty  
They gon' know who we are

Bet all y'all folks won't admit it but they wanna get in  
If you wanna get wit it, we ghetto superstar  
See way back then they didn't know about, we girls  
used to throw down  
But I bet you they know now, we ghetto superstar

We're actin' bad, we're ghetto fabulous  
Ridin' in our Cadillacs  
On the East, head to the West

If your armpits smellin' good  
Throw your hands up for your hood might be  
misunderstood  
If you don't wanna roll you should

Oh, c'mon work that body  
(Uh, oh)  
C'mon get naughty  
(Oh)  
C'mon work that body, c'mon get naughty  
They gon' know who we are

Oh, c'mon work that body  
(Uh, oh)  
C'mon get naughty  
(Oh)  
C'mon work that body, c'mon get naughty  
They gon' know who we are

Bet all y'all folks won't admit it but they wanna get in  
If you wanna get wit it, we ghetto superstar  
See way back then they didn't know about, we girls  
used to throw down  
But I bet you they know now we ghetto superstar

All over town town, we're takin' it down down  
We don't mess around, 'round, they wanna be down,  
down  
You wanna get wit it, so, won't you admit it?  
We are the shame's name, don't you forget it

Catch us up in a party, spikin' punch, we roll Bacardi  
Have them couples actin' naughty, all we do is get  
crunk  
Wit ya'll floks, just keep on hatin' 'cuz our clothes be  
coordinatin'  
We're the hottest, no debatin', all we do is get crunk

Oh, they gon' know who we are, we ghetto superstar  
Oh, they gon' know who we are, we ghetto superstar  
Bet all ya'll folks won't admit it but they wanna get in  
If you wanna get wit it, we ghetto superstar

I was at the party and the guys spiked the punch  
And oh my God, it was like so crazy, I got drunk  
I was on the floor and my legs were open and oh my  
God  
Things just happened and I was like the queen of the  
prom

And everybody loved me and they called me a whore  
though  
But I was like oh my God, I didn't mean it  
You know my legs were open, it just seemed to happen  
And like don't laugh at me because I'm not a ditsie girl  
I am very smart, I went to school okay

I didn't finish but I went to elementary school

And I almost finished but now I'm smart and I'm gonna  
be in playboy

Oh my God, that's the greatest I'm gonna be in playboy  
All the guys are gonna love me, I'm gonna be like Ana  
Nicole

And Pamela Anderson and Carmen Electra even but  
like I just might get married

I might find one of those rock star guys to marry me  
It's gonna be so great, we're gonna have lots of babies  
And I'm gonna get plastic surgery and fix up  
everything that's hanging

Oh my God, I'm gonna be so great, I'm gonna be a star

Shut the fuck up
