Ghettolicious

Ghet ghet ghettolicious

Straight face do the 2 step

Straight face do the 2 step

Ghet ghet ghettolicious

Ghet ghet ghettolicious

It's BV and I party like rockstar

Dimpin daddy, Your gurl that's chillin at the bar

Excuse me sir, can u buy me a drink

I'll drop my phone number

Hmm let me think

I told ya ã€ˆ!ã€ˆ!

If you ring my alarm,

Somebody might get popped

Come here and stand under my umbrella ay ay ay

But you can never ever get on my level

Looka here boy hell yeah

We gonna 2 step

Go walk it out

And go lean with it

Rock your hips

Wave and sip

But the boys get the runnin when I lick these lips

boys get the runnin when I lick these lips

Cuz I'm ghettolicious

But the boys get the runnin when I lick these lips

Cuz I'm ghettolicious

Straight face do the 2 step

Straight face do the 2 step

Ghet ghet ghettolicious

Ghet ghet ghettolicious

I'm tipsy and it's all because of you

It's true, so irreplaceable don't know what Imma do

Another round, becuz I'm ballin

It's 2 AM and my lipgloss is poppin

I made it rain on them ã€ˆ!ã€ˆ!

Clear it out

You wanna take me home?

So much you try

I can't be good cuz I'm a flirt
To the left to the left cuz I'm a flirt

Looka here boy hell yeah
We gonna 2 step
Go walk it out
And go lean with it
Rock your hips
Wave and sip
But the boys get the runnin when I lick these lips
boys get the runnin when I lick these lips
Cuz I'm ghettolicious
But the boys get the runnin when I lick these lips
Cuz I'm ghettolicious

Straight face do the 2 step
Straight face do the 2 step
I aint came here to dance
I just came to 2 step
I aint came here to dance
I just came to 2 step

Straight face do the 2 step
Straight face do the 2 step
I aint came here to dance
I just came to 2 step
I aint came here to dance
I just came to 2 step

Looka here boy hell yeah
We gonna 2 step
Go walk it out
Go lean with it
Rock your hips
Wave and sip
But the boys get the runnin when I lick these lips x2
Cuz I'm ghettolicious
But the boys get the runnin when I lick these lips
Cuz I'm ghettolicious
