[Brooke Valentine]

I loved you, before I knew you lied  
I've always been right here  
So, don't you try to deny  
I've been right by your side  
Then you started to tell the truth  
About all the girls you knew  
I was already over heels for you  
I just don't know what to do  
Oh, I, I try but I can't shake you  
Oh, I, I'm in love with you. I'm in love with you

Leave me alone, stay out late, but don't even call  
As long as you come home.  
Tell me you love me, when you don't at all  
As long as you come home  
Say you were, when you wasn't hangin' out with your  
boys  
As long as you come home  
Boy, you do, you will, you won't, or you don't  
As long as you come home

Come tell me all of those sweet lies  
You used to whisper in my ear  
I don't wanna fight  
I just want you near  
Don't need my girls telling me  
How stupid I am  
Want everybody just to let me be  
I'm staying with my man  
Oh, I, I try but I can't shake you  
Oh, I, I'm in love with you. I'm in love with you.  
Leave me alone, stay out late, but don't even call  
As long as you come home.  
Tell me you love me, when you don't at all  
As long as you come home  
Say you were, when you wasn't hangin' out with your  
boys  
As long as you come home  
Boy, you do, you will, you won't, or you don't  
As long as you come home

[Whispering]  
Come home, come home, come home,  
Come home, as long as you come home  
I love you  
I wish that you could give up those streets...

[Mike Jones]  
Mike Jones (Who)  
Mike Jones  
Im Sick And Tired Of You Wining  
Saying Im Out fucking  
When You Know  
Im Out Here Grindin  
If You Open Your Eyes  
You Would See That Im  
Trying To Show You  
That I'm All You Need  
Aint Lying to ya  
Late Nights I Come Home  
You Start Fussin For No Reason  
All In My Ear

Thats The Reason I Be Leaving  
Believe Me You Know  
I Love You More Than Life Itself  
But Not Trustin In Your Man  
Gonna Leave yo ass  
By Yourself  
Yep  
Until my death  
You Know I Stay On My Grind  
Stay Puttin It Down  
You Think Im Cheating  
I Think Its Best I Move  
Cause I Aint Got No Time  
To Sit Here And Fuss And Fight  
Give Me The Word And Mike Jones  
Be Gone The Same Night  
Cause I Aint Got No Time  
To Sit Here And Fuss And Fight  
Give Me The Word And Mike Jones  
Be Gone The Same NightCause I Aint Got No Time  
To Sit Here And Fuss And Fight  
Give Me The Word And Mike Jones  
Be Gone The Same Night  
Mike Jones

Tell me u love me  
long as you come home  
say you were when you  
long as you come home  
Boy you do when you  
long as you come home  
So tell me
