(Verse)

My baby just don't know me,
He never comes to where I live.
Common stains getting ugly,
Let me into your house safe.

(Pre-Chorus)

I've been around the world and I, I can't find my baby
I don't know when and I don't know why, but he's gone
away
And I don't know where he can be, my baby,
But I'm gonna find him.

(Chorus)

I'm looking for my man,
Tell me, have you seen my man?
I'm looking for my man,
Tell me, have you seen my man?

(Verse)

Putting this piece in my purse now,
Only the Lord can slow me down.
If I go to the girl's house
My man better not be around.

(Pre-Chorus)

I've been around the world and I, I can't find my baby
I don't know when and I don't know why, but he's gone
away
And I know where he better not be, my baby,
I'm gonna find him.

(Bridge)

Never found him and I
Tell me why you made me cry if you loved me,
Baby, baby, tell me that you loved me.
I don't wanna make you cry,
But I want you to dare to say "I'm sorry, baby".

(Chorus)

I'm looking for my man,

Tell me, have you seen my man?
I'm looking for my man,
Tell me, have you seen my man?
