While I loved you deep
boy you hurt me good
you're the one that gonna leads me
and my word stand on me
when I gave you all
seem you put in this
staying all night leaving me
why you're playing down and notes with your friends
and now tell me bout the Keisha, Mischa or Kim
no nation..Natasha and slim
but it would be okay with start over again
try to forget about all

Chorus:

This is not right, but it's OK, OK
I'm doing mad, I still maintain
If you gone go, then go
stay, then stay
Just don't rub it in my face
It's not right, but it's OK, OK
I'm doing fine, a little crazy
If you gone go, then go
Baby stay, then stay
Just don't rub it in my face

Swept the little things
all these argue babe
got my bags in hand
timberlines on my feet
'cause baby got ready ready
to put my car in drive
ain't gonna stay here beating up news
while you're believing all these lies oh
And I know I never told you lucky show Keisha, Mischa,
Kim
or next Charlize, Natasha and..

but it would be okay with start over again
without the arguments

Chorus:

This is not right, but it's OK, OK
I'm doing mad, I still maintain
I can't promise you I'm gonna change baby
Just don't rub it in my face
It's not alright, but it's OK,
make up your mind you're driving me crazy
If you gone go, then go
Baby stay, then stay
Just don't rub it in my face

Break it on down baby
you got the love that you want it
you got the love that I need
you got the love that you want baby
you got the love, you got the love

It's not right, but it's OK, OK
I'm doing fine, a little crazy
If you gone go, then go
Baby stay, then stay
Just don't rub it in my face
