When we are together you never ever wanna leave
And you don't know how insane you're making me
I'm really feeling you but you don't understand
I'm not sure if I can settle down with just one man
I don't see any ring on this finger
I don't hear any wedding bells soÃ¢â€

Quit telling everyone in town
You and I have settled down
I love the thrill of the case
You been following me around
I know you really wanna settle down
But I love the thrill of the chase

Now don't get me wrong, I think you're kinda fly
But I am loving my space, I can't deny
Girls just really wanna have some fun
Living life being young and dumb
I'm not a hoe but I've been around
So if u cant handle then leave town
I don't see any ring on this finger
I don't hear any wedding bells soÃ¢â€

Quit telling everyone in town
You and I have settled down
I love the thrill of the case
You been following me around
I know you really wanna settle down
But I love the thrill of the chase

I don't really wanna know how you feel inside
I can do what I want, it's my life
I won't lie so go ahead and cry

Quit telling everyone in town
You and I have settled down
I love the thrill of the case
You been following me around
I know you really wanna settle down
But I love the thrill of the chase

Quit telling everyone in town

You and I have settled down
I love the thrill of the case
You been following me around
I know you really wanna settle down
But I love the thrill of the chase
