Baby got a body like like like ohh
Lips like wow

making me want you.
Not even on my eyes go into you
so many things I wanna do

Wanna make me gonna cry cry
Make me say uh I.
Wanna make me gonna cry cry
Make me say uh I.

You ever thought that I'm
baby so into you
and you ever thought that I
Go so deep in love
Got me trip trip trippin x 4
Got it
Call me crazy, at least you call me baby
Got me trip trip trippin x 4
