Waking up to see
All your clothes around my place
Thinking about how on earth it has come to this

I have customized
My whole life around your needs
Hoping that I would get something in return
I'm no charity

Should I stay
And let this game go on
cast away
My dignity long gone

I don't wanna run to the exit this time
I don't wanna make what we have into a crime
I realise

I'm not gonna run to the exit and cry
I'm not gonna let this go on and live a lie
What more can I give
What more can I say
What more can I do

When we've reached the point where you're
a thief that holds my heart

I keep questioning
do you ever hear my voice
when the spotlight is turned on me for a change

Did I fool myself
When you came into my life
And when you needed me to be the one there for you
I gave all of me

Imagining
I meant the world to you

could anything
make you get that I need you too

I don't wanna runâ€¦!
