Once it started
Well I didn't know
Where to hide or
Where to go

Feelings mine they were
Hidden all this time
Warm and true emotion
What will follow

Years of endless searching
Stumbling in the dark
Charming lines
Funny remark

All these sudden changes
Oh, I should've guessed
To light a fire
All I need is a spark

Can you tell me
Which will it be

Lover, friend or foe
Maybe time will show
See I need to know
Lover, friend or foe

With a smile like that
Honey, you're to blame
You're putting Mona Lisa
To shame

Those lovely eyes of yours they
Make me weak
I have no doubt

Clear it became

Can you tell me
Which will it be

Lover, friend or foe
Maybe time will show
See I need to know
Lover, friend or foe

Unattainable is your love
Unimaginable is no love

Lover, friend or foe
Maybe time will show
See I need to know
Lover, friend or foe
Lover, friend or foe
Maybe time will show
See I need to know
Lover, friend or foe
I need to know
Maybe time will show
