Lately, I've spent too many days dead on the ground  
Lately, I've found myself too many times from Lost and Found  
Lately, I've only felt good when there's dancing around  
Lately, when I wake in the morning, in my head there's this ticking sound

Tick-tick, tick-tick

Tell me what to do now if I go crazy  
Tell me what to do now if I'll go mad  
Tell me what to do to get my act back together before I'm crazy  
'Cause I can't go on  
No, I can't go on like this

Lately, I've done my best not to lose my head  
Lately, I can tell by the word of mouth the things I've left unsaid

Tell me what to do now if I go crazy  
Tell me what to do now if I'll go mad  
Tell me what to do to get my act back together before I'm crazy  
'Cause I can't go on like this  
Tell me what to do now if I go crazy  
Tell me what to do now if I'll go mad  
Tell me what to do to get my act back together before I'm crazy  
'Cause I can't go on  
No, I can't go on like this
