Oh look there it goes
And while I hope that dinosaur
Comes back with some cool clothes,
I'll sit here and draw him on my floor.

That night when I went to bed,
I laid down my big haired head
On my pokemon pillow with my teddy bear

When I fell asleep I had a dream,

I see a polka spotted dinosaur
It looked just like the one on my floor.
It smiled and winked and caught

Then we hung out for ever
But when I had to go
The dinosaur said it's name was Bo.

When I awoke, out my window I see,
A polka spotted dinosaur standing by my tree.
I'm so happy I jump for joy
But then I realize it's just a toy...
