Josh: Would you meet me on the east side my bride?
Would you bother to stay with me tonight?

Hannah: Let me ask you
Are you here for the show?
Are you here for the show?

Josh: And I say no.

Hannah: Cuz baby we're falling down
And nobody can take my eyes off of you
Hold tightly
Keep my feet on the ground
It's not like I have wondered what to do
When all I want is you

Josh: I want you too

Hannah: Would you tell me the things that I needed to
hear?
Just to see me light up instead of tear?

Josh: Now let me ask you the question,
Are you here to stay?

Hannah: Either way does it honestly even matter any
way?

Hannah: Cuz baby we're falling down
And nobody can take my eyes off of you
Hold tightly
Keep my feet on the ground
It's not like I have wondered what to do
When all I want is you

Josh: I want you too

Josh: Would you meet me on the east side my bride?
(Hannah: Would you meet me on the east side my
bride?)

Josh: Would you meet me on the east side my bride?
(Hannah: Would you meet me on the east side my

bride?)

Both: Cuz baby we're falling down
And nobody can take my eyes off of you

Hannah: Hold tightly

Both: Keep my feet on the ground

Hannah: it's not like I have wondered what to do
When all I want is you

Josh: I want you too
