Bang bang you're dead

You let me down
You let me down, again
Guess I thought you were my friend
But you let me down again
Tell me, can't you tell me
Go on and tell me that it's true
Call me, can't you call me
It's the least that you can do

You're talking shh about me
I'm talking shh about you
You're talking shh about me
I'm talking shh about you

Bang bang you're dead
Bang bang you're dead
Bang bang you're dead
Bang bang you're dead

Can't you, can't you tell me
Why can't you tell me to my face
Are you just scared to talk to me
Now you're gonna walk away

You're talking shh about me
I'm talking shh about you
You're talking shh about me
I'm talking shh about you

Bang bang you're dead
Bang bang you're dead
Bang bang you're dead
Bang bang you're dead

If I thought you were my friend
Then this wouldn't be the end

{Repeat in the background:
If I thought you were my friend

Then this wouldn't be the end }
Bang bang you're dead
Bang bang you're dead
Bang bang you're dead
Bang bang you're dead
Bang bang you're dead
