what's it like for you
on your own, what do you do
do the walls talk back
do you still do those things that you do
what you do
when im around you-u
when im around

what's it like for you
when you cant sleep at night
do you hold your breath
do you count back from ten
do you cry
do you count
do you cry-y-y
do you

hey do you like to
chit chat
chit chat
chit chat to yourself
do you try to explain those things you tell me
then convince yourself
convince yourself
oh-oh-oh-oh

what's it like for you
to fall asleep without your thighs (?)
do you wake up blue
do you just sleep it off
wipe those eyes
sleep it off
wipe those eye-eye-eyes
do you
hey do you like to
chit chat
chit chat
chit chat to yourself
do you try to explain those things you tell me
then convince yourself
hey do you like to
chit chat

chit chat
chit chat to yourself!
do you try to explain those things you tell me
then convince yourself
to yourself
to yourself
to yourself

is it just that you like to hear yourself speak
is it all that you've lost tryin to find a way for me (?)
is it just that you like to hear yourself speak!
is it all that you've lost tryin to find a way for me (?)

hey do you like to
chit chat
chit chat
chit chat

hey do you like to
chit chat
chit chat
chit chat
