Like a man should do. It's what I'm into.
Are you ready for me? So don't deny it.
Like a man should do.
Like a man should.
Like a man should do.
Like he should.

I think you're onto me, so just get closer.
Let's get to it. Just a little closer.

Baby come, come on the dancefloor.
Let's get down and dirty I'm here for a good time.
That's what I'm here for a good time.
Like a man should do.

I wanna wipe you down. I wanna shake-shake-shake
about.
Can you handle that? Are you ready for it?

Baby come, come on the dancefloor.
Let's get down and dirty I'm here for a good time.
That's what I'm here for a good time.
Baby come, come on the dancefloor.
Let's get down and dirty I'm here for a good time.
That's what I'm here for a good time.

So baby
Come on the dancefloor.
Come on the dancefloor.
Come on the dancefloor.
Come

So baby come, come on the dancefloor.
Let's get down and dirty I'm here for a good time.
That's what I'm here for a good time.
Like a man should do.
Oh baby come, come on the dancefloor.
Let's get down and dirty I'm here for a good time.
That's what I'm here for a good time.
Like a man should do.
Like a man should.

Like a man should.
Like a man should.
