Get myself sick
Thinkin' so hard about it
Wishin' I could just say no.
All my friends think I should just stop talkin' 'bout it.
How can I just let this go?

You see I fantasize all the time
About lettin' you, lettin' you go.
I fantasize all the time
About lettin' you, lettin' you go.

It's just a mind flip.
Maybe some dirty tricks,
Something that I just don't know.
Why can't you fix this?
Help me get rid of it.
'Cause I'm just scared to let go.

You see I fantasize all the time
About lettin' you, lettin' you go.
I fantasize all the time
About lettin' you, lettin' you go.

Ooooh oohh
Ooh ooh oohh

Is this alive?
Is this a sign that you're givin'
'Cause I'm scared
Don't think I can make it down here,
Don't think I can make it down here.

Is this alive?
Is this a sign that you're givin'
'Cause I'm scared
Don't think I can make it down here,
Don't think I can make it down here.

Fantasize (fantasize)
I fantasize (fantasize)
I fantasize all the time

About lettin' you, lettin' you go.
