Little do you know you've got a hold on me  
And I've tried but there's no place to hide.  
I come crawling back at your feet.  
It's a game that I play. Winners lose and lovers  
breakdown.

Lost in this moment with you.  
Let's get away say to hell with it and go beyond the  
blue.  
Now I don't care what they say. Winners lose and lovers  
breakdown.  
Winners lose and lovers breakdown.

Little do you know you've got a hold on me  
And I've tried but there's no place to hide.  
I come crawling back at your feet.  
I don't care what they say. Winners lose and lovers  
breakdown.  
Winners lose and lovers breakdown.

Oh I love you.  
Oh I love you.

My world pauses, pauses, pauses for you.  
My world pauses, pauses, pauses for you.  
For you.  
For you.
