If I were in your shoes I would live, Iâ'd live a little  
And I would love with all this lust, forget the worst,  
forget the scars  
And Iâ'd be a little selfish, less selfless, less harsh,  
Yeah I would, Yeah I would

And Iâ'd go out once in a while, flash my curves, show  
Â'em style  
And Iâ'd turn this old town upside down, upside down  
Yeah I would, Yeah I would

So letÂ's drive, letÂ's pass this by  
Forget what we did and forget why  
We laughed in the first place,  
Why we laughed in the first place

If there is magic on this planet itÂ's in the water  
If there is magic on this planet itÂ's in the water  
If there is magic on this planet itÂ's in the water  
If there is magic on this planet itÂ's in my blood

I can still hear you playing  
I can still hear you playing  
I can still hear you playing  
I can still hear you playing

If there is magic on this planet itÂ's in the water  
If there is magic on this planet itÂ's in the water  
If there is magic on this planet itÂ's in the water  
If there is magic on this planet itÂ's in my blood
