Someone fill me in on what I missed
Come on give me hope tell me anything
'Cause I've been on another side
On another trip
I don't need no heart
I don't need much these days
I can call back another time
I can call back anyday
'Cause I've been in another world
And I'm trying to escape it
I wanna be reprogrammed
I wanna be robotic
No more worries
I wanna press reset
Come on brush it off
'Cause no one sees it anyway
Don't wanna waste your
If you wanna win you gotta play
I think it's easier for you to say
I wanna be reprogrammed
I wanna be robotic
No more worries
I wanna press reset
