Should we say hello again oh oh o
Go back to the beginning oh oh o
Is it time to tear it down oh oh o
Or turn it all around
You don't hear
Did I say it wrong and you could put it better
Cause it's clear that I'm not that strong,
Trying to keep it all together.

Don't you know you're a stranger to me
I'm a stranger to myself
And I'm holdin' on to nothing
Tryin' to figure this out
You're a stranger to me
Tryin' to figure this out

Should we say goodbye now oh oh o
Keep it going somehow oh oh o
Doesn't even make sense' oh oh o
Living with the silence.
You don't hear
Did I say wrong and you could put it better
Cause it's clear that I'm not that strong,
Trying to piece it all together.

Don't you know you're a stranger to me
I'm a stranger to myself
And I'm holdin' on to nothing
Tryin' to figure this out
You're a stranger to me
Tryin' to figure this out

You're a stranger to me
I'm a stranger to myself
And I'm holdin' on to nothing
Tryin' to figure this out
You're a stranger to me
I'm a stranger to myself
And I'm holdin' on to nothing
Tryin' to figure this out
You're a stranger to me.

And I'm holdin' on to nothing
Yeah I'm holdin' on to nothin
