(Verse 1)

These 4 walls
They whisper to me
They know a secret
I knew they would not keep
Didn't take long
For the room to fill with dust
And these 4 walls came down around us

(Chorus)

It must have been something sent me
Out of my head
With the words so radical
And not what I meant
And now i'll wait
For the break in the silence
Cuz it's all that you left
Just me and these 4 walls again

(Verse 2)

It's hard now to let you be
I won't make excuses
I've made my peace
Didn't take long for me to lose the trust
And these 4 walls were not strong enough

(Chorus)

(Bridge)

Yeah, it's difficult
Watching us fade
Knowing it's all my fault
My mistake
Yeah, it's difficult
Letting you down
Knowing it's all my fault
You're not around

(chorus)

Again

Ooooo these 4 walls again
