I probably shouldn't say this  
But at times I get so scared  
When I think about the previous  
Relationship we shared  
It was awesome but we lost it  
It's not possible for me not to care  
And now we're standing in the rain  
But nothing's ever gonna change until you hear  
My dear

The seven things I hate about you  
The seven things I hate about you  
Oh you  
You're vain, your games  
You're insecure  
You love me, you like her  
You make me laugh  
You make me cry  
I don't know which side to buy  
Your friends they're jerks  
When you act like them  
Just know it hurts  
I wanna be with the one I know  
And the seventh thing I hate the most that you do  
You make me love you

It's awkward and its silent  
As I wait for you to say  
What I need to hear now  
Your sincere apology  
When you mean it I'll believe it  
If you text it I'll delete it  
Let's be clear  
Oh, I'm not coming back  
You're taking seven steps here

Chorus:

The seven things I hate about you  
You're vain, your games  
You're insecure  
You love me, you like her

You make me laugh, you make me cry  
I don't know which side to buy  
Your friends they're jerks  
When you act like them  
Just know it hurts  
I wanna be with the one I know  
And the seventh thing I hate the most that you do  
You make me love you

And compared to all the great things  
That would take too long to write  
I probably should mention the seven that I like

The seven things I like about you  
Your hair, your eyes  
Your old Levis  
When we kiss im hipnotised  
You make me laugh, you make me cry  
But I guess that's both I'll have to buy  
Your hand in mine  
When we're intertwined  
Everything's alright  
I wanna be with the one I know  
And the seventh thing I like the most that you do  
You make me love you

You do, oh  
Ooh, ooh, ooh oh  
Ooh, ooh, ooh oh
