Gonna stay in bed today  
Cause I can't stand the light  
Don't know why I get so down  
I won't be much fun tonight  
And I can't believe  
You still want to hang around me

It's not so pretty all the time  
You don't mind  
To you it's all right

As I am  
Is how you take me  
Never try to push  
Or make me different  
When I talk you listen to me  
As I am  
Is how you want me and  
I know I've found the piece I'm missing  
I'm looking at him

I'm not the girl you think you see  
But maybe that's a lie  
You almost know me better than  
Me, myself and I  
Don't know a lot of things  
But I know what I got

It's not so perfect everyday  
I don't have to try  
Cause it all falls into place

As I am  
Is how you take me  
Never try to push  
Or make me different  
When I talk you listen to me  
As I am  
Is how you want me and  
I know I've found the piece I'm missing  
I'm looking at him

Face to face, eye to eye  
You're standing there  
Feels good on the inside  
I don't mind, I don't care  
You're standing there  
Seeing me for the first time

Seeing me for the first time...  
Seeing me for the first time

As I am  
Is how you take me  
Never try to push  
Or make me different  
When I talk you listen to me  
As I am  
Is how you want me and  
I know I've found the piece I'm missing  
I'm looking at him

Found the piece I'm missing  
Take me as I am  
When I talk you listen  
Take me as I am  
Found the piece that's missing  
Take me as I am...  
Take me as I am!

As I am,  
Is how you take me  
Never try to push  
Or make me different  
When I talk you  
Listen to me  
As I am  
Is how you  
Want me and  
I know I've  
Found the piece  
That's missing, I'm  
Looking at him.
