OHHH... YEAH,  
Yeah,  
Yeah...  
Yeahhh...  
Every morning  
I wake up to find  
I always dream the same.  
Every night I come to my window  
When you call my name  
But the way the words  
You say just fall like rain  
Till I'm drowning in the sound of your invitation

When you ask "do you wanna dance, my barefoot  
cinderella"  
Don't need no slippers or a party dress,  
The way you're lookin' right  
Now is what I like the best  
And then you...  
Say "do you wanna take a chance?  
Stay with me forever  
No one will ever be more beautiful  
My barefoot, my barefoot cinderella."  
Yeah, ohh...

A dream world is always perfect  
But thats not my real life  
Wish you did but you don't know  
Then me I am inside  
I pray that you'll come lookin' and I won't hide (won't  
hide)  
I'm smiling when you find me  
Coz I've been waiting

For you ask "do you wanna dance, my barefoot  
cinderella"  
Don't need no slippers or a party dress,

The way you're lookin' right  
Now is what I like the best  
And then you...  
Say "do you wanna take a chance?  
Stay with me forever

No one will ever be more beautiful  
My barefoot, my barefoot cinderella."

When I close my eyes it starts, yeah,  
Like a movie for my heart,  
Here comes my favourite part.  
Yeaahhhh... ohhhh...

When you ask "do you wanna dance, my barefoot  
cinderella"  
Don't need no slippers or a party dress,  
You're what I like the best  
And then you...

Say "do you wanna take a chance?  
Stay with me forever  
No one will ever be more beautiful,  
Oohhhh.. cinderella..

When you ask "do you wanna dance, my barefoot  
cinderella"  
Don't need no slippers or a party dress,  
The way you're lookin' right  
Now is what I like the best  
And then you...  
Say "do you wanna take a chance?  
Stay with me forever  
No one will ever be more beautiful my barefoot,  
My barefoot cinderella."
