Here we go everybody, come on

You get the limo out front hottest styles, every shoe,
Every colour yeah when you're famous it can be kinda
fun
It's really you but no one ever discovers

Who would have thought that a girl like me(a girl like
me) would double as
A
Superstar HOOOOOOO

You get the best of both worlds chill it out take it slow
then you rock out
The show you get the best of both worlds mix it all
together and you know
That it's the best of both worlds

Hahaha
