I set out on a narrow way,
many years ago.
hoping I would find true love along the broken road.
but I got lost a time or two,
wiped my brow and kept pushing through,
I couldn't see how every sign pointed straight to you.

every long lost dream,
lead me to where you are.
others who broke my heart,
they were like northern stars,
pointing my on my way,
into you're loving arms.
this much I know is true,
that god blessed the broken road,
that lead me straight to you.

yes he did.

I think about the years I spent,
just passing through,
I'd like to have the time I lost,
and give it back to you,
oh, but you just smile and take my hand,

you've been there, you understand,
its all part of a grander plan that is coming true.

every long lost dream,
lead me to where you are.
others who broke my heart,
they were like northern stars,
pointing my on my way,
into you're loving arms.
this much I know is true,
that god blessed the broken road,
that lead me straight to you.

now I'm just rolling home,
into my lovers arms.
this much i know is true,
that god blessed the broken road,

that lead me straight to you.

that god blessed the broken road,
that lead me straight to you.
