It's been in the past for a while  
I get a flash and I smile  
Am I crazy  
Still miss you baby  
It was real, it was right  
But it burned too hot to survive  
All that's left is all these ashes

Where does the love go  
I don't know  
When it's all said and done  
How could I be losing you forever  
After all the time we spent together  
I have to know why I had to lose you  
Now you've just become  
Like everything I'll never find again  
At the bottom of the ocean  
Da, da, do  
Da, da, do, do  
Da, da, do  
Da, da, do, do  
Da, da, do  
Da, da, do, do

In a dream you appeared  
For a while you were here  
So I'll keep sleeping  
Just to keep you with me  
I'll draw a map  
Connect the dots  
With all the memories that I got  
What I'm missing, I'll keep reliving

Where does the love go  
I don't know  
When it's all said and done  
How could I be losing you forever  
After all the time we spent together  
I have to know why I had to lose you  
Now you've just become  
Like everything I'll never find again  
At the bottom of the ocean

This is it  
Let go  
Breathe

You don't have to love me for me  
To baby ever understand  
Just know I loved the time that we both had  
And I don't ever want to see you sad  
Be happy  
And I don't wanna hold you  
If you don't wanna tell me you love me babe  
Just know I'm gonna have to walk away  
I'll be big enough for both of us to say  
Be happy  
Da, da, do  
Da, da, do, do (Be happy)  
Da, da, do (Be happy)  
Da, da, do, do  
Da, da, do  
Da, da, do, do

Be happy  
M, m, m, m, m  
Be happy
