You tucked me in
Turned out the light
Kept me safe and sound at night
Little girls depend on things like that
Brushed my teeth and combed my hair
Had to drive me every where
You were always there when I looked back
You had to do it all alone
Make a living, make a home
Must have been as hard as it could be
And when I couldn't sleep at night
Scared things wouldn't turn out right
You would hold my hand and sing to me
Caterpillar in the tree
Have you wonder who you'll be
Can't go far but you can always dream
Wish you may and wish you might
Don't you worry, hold on tight
I promise you there will come a day
Butterfly fly away
(Hold)
Butterfly fly away(butterfly fly away)
Got your wings now you can't stay
Take those dreams and make them all come true
(Hold)
Butterfly fly away(butterfly fly away)
You've been waiting for this day
All along and known just what to do
(Hold)
Butterfly x3
Butterfly fly away
(Hold)
Butterfly fly away
(Hold)
Butterfly fly away
