Let's get the party started!

I'm gonna put in my old blues jeans
Gonna walk down the hill
Into the street
Would you put up resistance
Would it make a difference
Would you know the real me
Me and my old blue jeans

Don't let anyone tell you that you're not strong enough
So c'mon and raise your voice
Speak your mind and make some noise
And say...
Hey! Hey!
Make some noise!
Hey! Hey yeah...

Nobody's perfect
I gotta work it
Again and again till i get it right
Nobody's perfect
You live and you learn it
And if I mess it up sometimes...
Nobody's perfect
I gotta work it
I know this time I'll find the way
Nobody's perfect

I'm unusual, not so typical
Way too small to be waiting around
Tai Chi practicing, snow board champion
I could fix the flat on your car
I might even be a rock star

Life's what you make it so let's make it rock
(Let's make it rock!)
Life's what you make it so come on, (come on) come on
Everybody now!

(we can do better than that)

(oh yeah)
Don't stop

C'mon guys, tell me what we're doing
We're hanging around when we could be all over the
pain

It's Friday but there's no where to go
Anywhere is cool but we're not going home
And we can do anything we wanted to
It's all up to me and you

Turn this party into the club
The stars are light
And the moon is the vibe from above
The skate board here's our ride
So pull on up
Everyone is waiting for us
Anywhere we are
Anywhere we go
Everybody knows
We got the party with us

(oh, oh, oh, oh, oh, oh, oh, oh, oh, oh)
(oh, oh, oh, oh, oh, oh, ooooooooooooooooooh)
