It's 6 A.M. and I'm wide awake  
Cuz I can't stop thinking 'bout the stuff you were sayin'  
To me and I, I can't let it slide  
The paper's not here  
Yet the sun's not up  
But I'm not afraid to tell you what I feel inside  
I had one of those dreams that make it all so

Clear to me now  
I got a whole new perspective  
It's so clear to me now  
You can't treat me that way  
It appears to me how long you tried to make me think  
It was me who was bein' the fake  
So clear

Why did I smile when I hurt inside  
Said I was okay when I knew it's a lie  
I wanted to believe in you  
You took your chances  
And one was me  
So I'll just forgive you  
And set you free  
I'm on my way  
Yeah I'm steppin' out of the haze  
And it's so

Clear to me now  
I got a whole new perspective  
It's so clear to me now  
You can't treat me that way  
It appears to me how long you tried to make me think  
It was me who was bein' the fake  
(So clear)

I wanna put the past behind  
Try and maybe I could find better days  
The first time in a while  
I think I even feel a smile on my face

Oh, oh, oh, oh, oh  
I got a whole new perspective

I do  
(It's so clear)  
You can't treat me that way

It's so clear to me now  
I got a whole new perspective  
It's so clear to me now (Now)  
You can't treat me that way  
It appears to me how long you tried to make me think  
It was me who was bein' the fake  
So clear  
Yeah so clear so clear  
So clear

Sun's going down on a Saturday  
And I feel alright  
I feel okay
