I've been  
Runnin'Â´  
In circles all day long

I'm out  
Of breath  
But I'm still going strong

I'm gonna get'cha  
Yeah no matter what they say  
You think I'm losin'Â´  
But I always get my way  
(Hey)

Don't walk away when I'm talkin'Â´ to you  
(Hey)  
This ain't no time for your bad attitude  
(Oh)  
Don't gimme  
(Don'Â´t gimme)  
That face  
(That face)  
When you know I'm really down for the chase  
Cause my hearts already in it  
And I'm never gonna quit it  
When you finally gonna get it  
Don't walk away  
(When I'Â´m talking to you)

You act  
Act like  
That I don't have a clue

You think  
You know it all  
But I'm so onto you

You think you figured out  
Just how to win this game  
(Game)  
I'm on your tracks  
Yeah I know every move you make

(Hey)

Don't walk away when I'm talkin' to you

(Oh)

This ain't no time for your bad attitude

(Yeah)

Don't gimme

That face

When you know I'm really down for the chase

Cause my hearts already in it

And I'm never gonna quit it

When you finally gonna get it

Don't walk away

I won't give up just like that

I'm gonna make you mine

If it takes everything I have

Don't walk away when I'm talkin' to you

(You)

This ain't no time for your bad attitude

(Yeah)

Don't gimme

(Don't gimme)

That face

(That face)

When you know I'm really down for the chase

Cause my hearts already in it

And I'm never gonna quit it

When you finally gonna get it

Don't walk away

(Don't walk away when I'm talkin' to you)

When I'm talking to you

(This ain't no time for your bad attitude)

Yeah

And don't gimme

(Don't gimme)

That face

(That face)

When you know I'm really down for the chase

Cause my hearts already in it

And I'm never gonna quit it

When you finally gonna get it

Don't walk away
