Even though I'm famous
I'm still just like you
We both go to school
And have caring parents
Okay
So I'm a little richer
But I'm just like you

I'm living the lives
Any girl would want
I'm a singer an actress
And your ordinary girl
This is my life
And it's going my way
I'm living a double life
It's the life
Any girl would want
Come on yea
It's a double life

Here are my life I
Get my songs on the radio
And my picture in all
The magazine and also
I'm a school girl
Just like everyone else

I'm living the lives
Any girl would want
I'm a singer an actress
And your ordinary girl
This is my lives
And they're going my way
I'm living a double life
It's the life
Any girl would want
Come on yea
It's a double life

I can go
Any were with out the

Shades and make up
Ad be known
As a regular girl
But when you see me
As a star you want
An autographed picture
That's my life
And it's a
N amazing life

I'm living the lives
Any girl would want
We're singers and actress
And your ordinary girl
This is my lives
And they're going our way
We're living a double life
It's the life
Any girl would want
Come on yea
It's a double
