Even though I'm famous
I'm still just like you we both go to school and have
caring parents.
Okay so I'm a little richer.
But I'm just like you.

I'm living the lives any girl would want.
I'm a singer an actress and your ordinary girl.
This is my life and it's going my way.
I'm living a double life.
It's the life any girl would want.
Come on yea. It's a double life.

Here are my life I.
Get my songs on the radio and my picture in all the
magazine and also
I'm a school girl just like everyone else.

I'm living the lives any girl would want.
I'm a singer an actress and your ordinary girl.
This is my lives and they're going my way.
I'm living a double life.
It's the life any girl would want.
Come on yea. It's a double life.

I can go any were with out the
Shades and make up and be known as a regular girl.
But when you see me as a star you want an
Autographed picture. That's my life and it's a
N amazing life.

I'm living the lives any girl would want.
We're singers and actress and your ordinary girl.
This is my lives and they're going our way.
We're living a double life.
It's the life any girl would want.
Come on yea. It's a double
