Do me a favor  
tell me what you think about me  
Tell me how you want this to be  
Go out on a limb and just dream

Paint a picture  
Choose your colors extra wise  
Especially what you put on my mind  
Imagine what it'd be like to touch the sky, yeah, yeah

Whoa oh, your thoughts are gonna pick me up  
Did you know it's good to feel so much

Whoa, you got my head in the clouds  
Whoa, you got me thinking out loud  
The more you dream about me the more that I believe  
That nothings evers out of reach  
So dream, dream, dream

I breathe your visions  
They pull me through the coldest of nights  
They steer me t'wards that moment in time  
When you show what it means for you to be mine, yeah

Whoa, oh, you're giving me the will to try  
Do you know that there's happy in these eyes  
Whoa, you got my heads in the clouds  
Whoa, you got me thinking out loud  
The more you dream about me the more that I believe  
That nothings evers out of reach  
So, dream dream dream

Ha, It's like my birthday,  
Everytime you look at me  
It's like the best day  
Everytime that you dream, yeah, yeah, yeah

Whoa, your thoughts are gonna pick me up  
Do you know that its good to feel too much  
MUCH!

Whoa, you got my heads in the clouds

Whoa, you got me thinking out loud  
The more you dream about me the more that I believe  
That nothings evers out of reach  
So, dream dream

Dream,Dream

The more you dream about me the more I believe  
That nothing's ever out of reach  
So, dream, dream, dream

Dream
