[Verse 1]

My heart is filled with dreams.
I bet yours is too.
I need to find a way to make them come true.

[Verse 1]

My heart is filled with dreams.
I bet yours is too.
I need to find a way to make them come true.

[Chorus]

I bet you wanna follow those dreams and make them a reality.
Don't worry everyone wants to do the same but in their own way.

[Verse 2]

I know what it feels like to have your dreams crushed right in front of you.
I've been there before.
Eventually everyone will too.
Its not a big deal.
Just don't stay down you gotta stand up and follow those dreams.
Don't back down.
You gotta be strong and follow your dreams.

[Chorus x2]

I bet you wanna follow those dreams and make them a reality.
Don't worry everyone want to do the same but in their own way(own way)
