LO!!!!

Yeah I'm out on my own  
I turned off my phone  
No contact with the outside world  
I'm in my own little place

(Pre Chorus)

I'm racing time inside my mind  
Now the clocks ticking  
My heart is beating

Chorus

Faster Faster Now  
I'm all alone all to myself  
Slower Slower  
I want this to last  
Now I want to go fast  
Feel the wind though my hair cause I don't care

No more feeling defeated  
A break that I needed  
Some time to myself  
Nobody Else  
No No

It feels so good  
to be free  
Just me only me  
No boy toy  
No cell phone  
I'm in my zone  
Cause

(Pre Chorus)

I'm racing time inside my mind  
Now the clocks ticking  
My heart is beating

Chorus

Faster Faster Now  
I'm all alone all to myself  
Slower Slower

I want this to last  
Now I want to go fast  
Feel the wind through my hair cause I don't care

Yeah yeah I don't have a care  
No No I'm free no no only me
