Are you overloaded  
Candy-coated  
Your life's imploding now  
There's a risk worth takin'  
A pain worth achin'  
On this hollow ground  
(We can) Let go  
Don't hold on to all of life's hardest parts  
When we think of stopping  
Let's keep on rockin'  
To the rhythm of our hearts

We can  
We can break out of here  
Jump on over there  
Where the air is clearer  
We can  
We can forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and broken

Find the magic  
Go and grab it  
Your fate is in your hands  
Come on, find a reason to believe in  
Just tell yourself we can

We can  
We can break out of here  
Jump on over there  
Where the air is clearer  
We can  
We can forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and broken

Get off your seat  
On your feet

Raise your hands  
Feel the beat  
Let it go  
Lose control  
Feel it in your soul  
Don't you know what you can do  
If you have faith in you  
Let's not be invisible  
There's no red light in life  
Just go

We can  
We can break out of here  
Jump on over there  
Where the air is clearer  
We can  
We can forget the pace  
Win in our own race  
Become a broken chain, yeah  
We are broken chains, yeah  
Good and broken  
Yeah

We can, we can, we can, we can, we can  
We can, we can, we can, we can, we can  
We can, we can, we can, we can, we can  
Good and broken!
