Hannah: Thank you i love you too goodnight everybody!

crowd: Hannah, Hannah, Hannah!!!

Hannah: You guys want more? Y'all are awesome I'll sing all night if you want! Lets kick it guys!

(I Got Nerve starts playing)

Jackson: You want some toast? I bet you do...

Robby: Please add some jam and butter too,

Jackson: Were out of grape so sad, it all your fault you bad dad!

Robby: You know what son?

Jackson: Yeah, dad?

Robby: You got nerve!

(Miley walks out)

Robby: There she is! Six enchoors! The voice that wouldn't stop!

Miley:(croaky) Well they were such a great aud-. they were such a great audi-. Well this isn't good!

Robby: Here, try some of this.

(pours juice)

(Miley takes a sip)

Miley:(trying to sing) Life's what you make it... Help me!

(Miley over a humidifier)

Miley: Do Re Mi Fa Soooo...Not working!

Robby: And it won't work if you keep talking. You know honey this used to happen to me all the time when I was on tour. The only thing that would help is when your Momma told me not to talk for a while.

Miley: I can do that.

Robby: Mile.

Miley: What?

Robby: You're talking.

Miley: Dang, oh, dang!

(Cover her mouth with arm)

Robby: There you go. Now listen, keep it like that or we're gonna have to cancel the big concert on tv Saturday.

Jackson: Thats a girl now if u need to say anything for the next couple of days just use that. Hannah Montana has never canceled a

concert before and she is not about to start now. I know that would just break your heart, and when your hearts breaks baby sis, so does mine!

Robby:(Talking for Miley) You got a hot date for the concert don't you Jerkson.

Jackson: Dad?!

Robby: She wrote it!

Jackson: Ugh, I can't believe you think I'm that selfish you'd put my own sis

Robby(interrupts): Whats her name son?

Jackson: Jenny and shes a total babe! So put cork in it froggy. I got a lot of ridin' on this.

Robby: Ah, ah, ah, use the pad.

(Miley Hits Jackson with the writing pad)

Robby: Couldn't have said it better myself.

(Miley smiles into space)

Lilly:Miley, I know you want to get better but sucking on those lollipops isn't gonna do anything but rot your teeth.

Miley:(mumbling) Huhnuh!

Lilly:Hhmmm!

Miley:(mumbling) Huhnuh!

(Car release sound)

Lilly: Miley, release. Fine, you leave me no choice.

Tickle, tickle, tickle!!

Miley: Ahh!

Lilly: Hah.

Oliver: Wow a week with out talking. Thats gotta be hard for a girl. Not us guys, we're different. I don't need to talk. I couldn't talk for a month wouldn't bother me at all. But girls just talk, talk, talk, talk, talk! Hey, Sally! Nice capris, oh I like your purse!...

Okay now thats just rude.

Lilly: Miley, I know this is gonna be hard for you but you gotta stop fighting it. And don't worry, we're gonna be here for you until you get your voice back.

Hot Guy: Hey Lilly, you wanna catch a few?

Lilly: Oh yeah!...Please, please, please, please? Look!

Oliver: You know this is nice. Just sittin' here, the sun, the beach thats the thing about nature that is just so quiet and peaceful.

Not like what you get in the city! Ehh ehh! Whoo whoo whoo! Pull the vehicle over! Pull th-

(miley hitting her self)

Oliver: I know, drives me crazy, too!

Dex: Hey, Oliver.

Oliver: What up, Dex?

Dex: Miley, feeling better? Great so maybe if ur not busy Friday night, maybe we could to the movies or something.

Oliver: Hey, I got this one for you.(speaking for miley)

In your dreams! A ponit, Dexter!(tells miley)We're playing hard to get.(Miley hits Oliver)

Oliver: Okay... What she meant was, movies shmovie just plant one on her right now, Big Boy! Ouch! Will you make up your mind you and me are making Dex signals.

dex: Maybe some other time!...

Teacher: Four score and seven years ago is the beginning of what famous speech? Finger on my hand. find the smartest in the land! Beep

Beep beep beep

beep, sliding Oken I can still see you...Miley! Make me smiley!

Lily: I got this one for you... Mileys answer is the Bettysburgh address...Uh, i think she means Betty-burghs address! Whos Bettyburgh? What?! The only other thing on

here is "I heart Dex" and I'm not going to say that with him sitting right there...oops!

Jackson: Okay it will be exactly 1 week in 3...2...1...SPEAK!

Robbie Ray: Darling I know your scared, but we have to find out sooner or later.

jackson: Dads right, Miles...Miles?.....Oh great. Now she can't hear either! You are falling apart just when Jenny and I need you the most! That is so like you!

Miley: Would you shut it already, I'm nervous enough and I dont know if I can- I CAN TALK!

lilly: It's so good to hear your voice again!

Miley:" I heart Dex"?!

Lilly: The last thing you want to do is over work it!

Miley: "Bettyburghs address"!?!

Oliver: Oh, ho, ho...Boy, did you make her look DUMB!

Miley: "PLANT ONE ON HER NOW BIG BOY"!?

oliver: Oh like you weren't thinking that!

Robbie: Okay, now that Miley can talk, lets see if Hannah can sing.

Robbie:(singing) Don't let no small frustration, ever bring you down.

Lilly & Oliver: No, no, no!

Robbie: Just take a situation and turn it all around!

Miley: (singing) With a new attitude everything can change, make it all you want it to be! Stayin' mad, why do that? Give yourself a break. Laugh about it and you'll see! Life's what you make it so let's make it rock!

Lilly & Oliver: Make it rock, yeah!

Miley: Life's what you make it so come on!

Lilly, Oliver & Miley: Come on, Come on, everybody

now!

Oliver: Weh, wow!

Jackson: Oh Jenny, isn't the concert wonderful? Whats that? Oh you bad girl!

Hannah: Life's what you make it so lets make it rock!  
Life's what you make it so (Next part croaky) come on!...Come on!

Doctor: I'm sorry, Miley. But this problem is not going away on it's own. If you ever want to sing again, I'm afraid you'll need surgery

Miley: Surgery? Really?!

Doctor: We're talking about a very minor operation...I could do it blind-folded!

Miley: Ah!

Doc: I won't!...I'm just saying that I could...Not that you'd know, you'd be out cold...Doesn't that make you feel better?

(Miley shakes her head, no)

Doctor: It doesnt does it? I should stop now.

Miley: You think?!

Doctor: I'm sorry, but I'm just reassuring you that this surgery is no big deal. One hour in my office, one week in recovery and everything will be fine.

Okay?

Miley: K.

Doctor: Really, I mean the chances of losing your singing voice permanently would be one in a million!

Robbie Ray: Oh boy...

Miley: One in a million?! What if I'm that one!

Robbie Ray: Doc, you were this close!

Doc: When I say one in a million, thats just a figure of speech. I havent done anywhere near that many! Not that i havent done alot... Because I have!

I'm going.

Miley: Daddy! There was a one and a million chance you were going to be a rockstar and that happened, there was a one in a million chance that i'd be a popstar and that happened! Face it Dad, this family is one in a million central!

Robbie Ray: Miley I really think you're over reacting, this surgen is one of the best in the country!

Jackson: Yeah..Dads right, besides what do you think's gonna happen'Just when the sugery is about to start, a meteor hits a bus, the bus

drives into a hotdog stand, a giant neon weiner flies into the power lines! The lights go off in the surgery room and the next thing you know, your singing like aunt Pearl after she swallowed that cazook remember? (Cough, cough, cough) bleew!

Miley: OH NO now im never going to be Hannah Monatana again all because a of a giant weiner!
