Wish there was no secret  
I wish I was all a star  
I'd be rocking out for you  
Sure it would make my life more easier

I just wish I was hannah all the time  
My fans will always adore me  
I just wish I was hannah all the time  
I'm so tired of living a double life  
I just wish I was hannah all the time  
This will be who I am  
I just wish I was hannah all the time  
This double life sucks!

(double life sucks)

I just wish I was hannah all the time  
My fans will always adore me  
I just wish I was hannah all the time  
I'm so tired of living a double life  
I just wish I was hannah all the time  
This will be who I am  
I just wish I was hannah all the time  
This double life sucks!
