[Miley]

Ooooo

Yeah

I didn't wanna listen to what you were sayin'

I thought that I knew all I need to know

I didn't realize that somewhere inside me

I knew you were right but I couldn't say so

I can take care of myself, yeah, you taught me well

[Chorus: (Miley)]

I learned from you that I do not crumble

I learned that strength is something you choose

All of the reasons to keep on believin'

There's no question, that's a lesson, that I learned from
you

[Billy Ray]

We always don't agree on

What is the best way

To get to the place that we're going from here

But I can really trust you, and give you the distance,
to make your decisions without any fear

[Both]

I'm grateful for all of the times

You opened my eyes

[Chorus: (Both)]

I learned from you that I do not crumble

I learned that strength is something you choose

All of the reasons to keep on believin',

There's no question, that's a lesson

I learned from you

[Both]

You taught me to stand on my own

[Miley] and I thank you for that

[Both]

You saved me, you made me,
and now that I'm looking back

[Miley] I can say

[Both] woaaaaahhhh!

[Miley] Hmmmm... Hmmmm... Yeah!

[Both]
I learned from you that

[Miley] I learned from you

[Both]
I do not crumble
I learned that strength is something you choose

[Miley] something you choose

[Both]
All of the reasons to keep on believin',

[Miley] keep on believin'

There's no question, that's a lesson that I learned from
you

[Miley]
Wooooaaahhhh!
I learned from yoooouuu

I learned that strength is something you choose
[Billy Ray] something you choose

[Both]
All of the reasons to keep on believin',
There's no question, that's a lesson that I learned from
you

[Miley] yeah!

[Both]
I learned from you
