I always knew this day would come,
we'd be standing one by one.
With our future in our hands,
so many dreams, so many plans.

Always knew after all these years,
there'd be laughter, there'd be tears.
But never thought I'd walk away,
with so much joy but so much pain.
and its so hard to say goodbye.

But yesterday's gone,
we gotta keep moving on.
I'm so thankful for the moment,
so glad i got to know ya'
but the times that we had,
I'll keep like a photograph
hold you in my heart forever.
I'll always remember you.

Another chapter in the book,
can't go back but you can look,
and there we are on every page,
memories I'll always save.

Up ahead on the open doors
who knows what we are heading towards.
I wish you love, I wish you luck,
for you the world just opens up,
but its so hard to say good bye.

But yesturdays gone,
we gotta keep moving on.

I'm so thankful for the moment,
so glad i got to know ya'
but the times that we had,
I'll keep like a photograph
hold you in my heart forever.
I'll always remember you.

Every day that we had,
every good, every bad,
i'll keep them here inside.
All the times that we shared,
every place everywhere,
you touched my life.

Yea one day we'll look back,
we'll smile and we'll laugh.
But right now we just cry,
cause its so hard to say goodbye.

Yesterday's gone,
we gotta keep moving on.
I'm so thankful for the moment,
so glad i got to know ya'
but the times that we had,
I'll keep like a photograph
and hold you in my heart forever.
I'll always remember you.
