Finally
I've been waitin' for this moment
For you to see
The real me

It's been an illusion
I never meant to fool you
I got caught up in a fantasy

Im just a girl
With a dream that got the best of me
In a world, that believes fame is everything
Got outta touch
With the ones who gave me my wings to fly, to fly

People say, that the world is like a stage
Their so confused, the rules I play
I been away from home for so long
That I, I almost forgot where I belong
Ye-eah

Im just a girl
With a dream that got the best of me
In a world that believes fame is everything
Got outta touch
With the ones who gave me my wings to fly, to fly

Its so easy to forget what really matters in this life
Its so hard to live with regrets but a promise i will try
To be a better me
From now on
Im sorry
I didnt mean to do you wrong

Im just a girl
With a dream that got the best of me
In a world that believes fame is everything
Got outta touch
With the ones who gave me my wings to fly, to fly,
To fly, to fly

You gave me my wings so I can fly, I can fly

Yeah, Yeah

Im just a girl
