Why would you rather be  
Anywhere else with me  
I tell you man  
It's all right here  
(Wherever we are) (2x)

Check out the scenery  
We won the lottery  
I tell you man  
It's all right here

And I can't believe  
You'd even think  
Of being any place  
Any place but right here

The grass may be greener  
in the end  
I swear  
But you'd be wishing  
You were here  
If you were there  
Wherever we go

(Wherever we are) (4x)  
(It's all right here)

Excuse me officer

If you're smart  
You know you wanna be  
In the midst of all hot energy  
It's all to welcome you

Time so good  
It's moving way to fast  
If we could  
I know we'd make it last  
It's all here for you (3x)

It's all right here  
(Wherever we are) (4x)

It's all right here  
(It's all right here)  
It's all right here  
(Wherever we are) (2x)  
C'mon  
(Wherever we are) (2x)  
C'mon let's go  
It's all right here

Any open road  
(Any open road)  
Will take us anywhere  
As long as I'm with you  
I won't care where

And we can choose  
The desert or the sea  
Cuz the good times are in front  
Of you and me  
(Me)

Why would you rather be  
Anywhere else with me  
I tell you man  
It's all right here  
(Wherever we are) (2x)

Check out the scenery  
We won the lottery  
I tell you man  
It's all right here

And I can't believe  
You're even saying  
Of being any place  
Any place but right here

The grass may be greener  
in the end  
I swear  
But you'll be wishing  
You were here  
If you were there  
(If you were there)  
Wish you were here  
(Wish you were there)  
You'd wish you were here

And if I could  
To make you wanna stay  
Just one more day

Maybe everything would be ok  
C'mon  
Oh C'mon  
Oh C'mon

It's all right here  
(Wherever we are) (4x)  
(It's all right here)  
It's all right here  
(Wherever we are) (4x)  
(It's all right here)  
Yeah
