[Verse1]  
All locked in a jail cell  
With no water and not feelin' well  
The rain is pourin'  
And nobody's comin'  
To come and rescue me  
Everyone thinks I'm a drama queen  
That's why they won't ever help meeeeeeee!  
Oh, every night I dream!

[Chorus]  
Just to fly  
Feel the breeze!  
Knowin' there's nothin' wrong with me  
Just to fly  
Know inside!  
I got everything I need  
To survive

[Verse2]  
Now I don't know  
Exactly where to go  
I mean there's only dirt and bars  
Tractors and cars  
Imagination  
Bring ya a vacation  
At least that's what they say  
Oh, every night I dream

Chorus

[Bridge]  
To survive  
To tell me  
I'm gonna be alright  
The key's 5 ft. away  
I can almost taste it  
Taste (x2)

Chorus

Found the key  
Unlocked the door  
Now I'm free!
