Let's Chill- Hannah Montana 3

All right  
Here we go  
Follow me now  
Come on  
Hit it  
Everybody do your dance  
Ain't nothing better  
Than an all night jam  
No ha  
Are you ready for a little  
Something new tonight  
(Oh yeah)  
I got a brand new step up thing  
You're gonna like  
Come on boys  
Gotta do like I do  
Just follow my lead  
Everybody let's chill  
Do the ice cream freeze  
Strike your pose  
Can you do the milkshake  
Shake it  
Shake it down low  
Do the snow cone slide  
Left to right  
Put your hands in the air  
We can party all night  
Do the ice cream freeze  
(Whoa)  
Strike your pose  
(Hey)  
Can you do the milkshake  
Shake it  
Shake it down low  
Do the snow cone slide  
Left to right  
Put your hands in the air  
We can party all night  
Shake it  
Shake it (2x)

Shake it (3x) down low  
And do the ice cream freeze  
Ha  
All kinds of step ups  
Make you feel good  
(Make you feel real good)  
Tripple step butterfly  
From  
Sugar fun  
(Shake it) (4x)  
But Iâ€™m come in with a new thing  
Itâ€™s what ya need  
(Thatâ€™s right)  
Now everybody want the ice cream freeze  
(Whohoo)  
Come on boys  
Gotta do like I do  
Just follow my lead  
Everybody let's chill  
Do the ice cream freeze  
Strike your pose  
Can you do the milkshake

Shake it  
Shake it down low  
Do the snow cone slide  
Left to right  
Put your hands in the air  
We can party all night  
Do the ice cream freeze  
Strike your pose  
Can you do the milkshake  
Shake it  
(Shake it shake it down low)  
Shake it down low  
Do the snow cone slide  
Left to right  
(Left to right)  
Put your hands in the air  
We can party all night  
Party all night  
Can I hear someone say party  
(Party)  
Weâ€™re just getting started  
Whoa  
Wanna take it from the top  
Well you know I will  
Now everybody letâ€™s chill  
(Uh oh)  
Lightscamra freeze  
(Yeah) (4x)

Everybody let's go  
Do the ice cream freeze  
Strike your pose  
Can you do the milkshake  
Shake it  
Shake it down low  
Do the snow cone slide  
Left to right  
Put your hands in the air  
We can party all night  
Do the ice cream freeze

Can you do the milkshake  
Shake it

We can party all night  
(Do the ice cream freeze)  
Do the ice cream freeze  
(Do the ice cream freeze)  
Can you do the milkshake  
Shake it (5x)  
(Snow cone slide)  
And do the snow cone slide  
(Do the snow cone slide)  
Put your hands in the air  
Go crazy
