You ready?  
Whoo!  
Here we go!

Life is just a party so come as you are  
Dress it up or dress it down, never forget your guitar  
Just be courageous, this style's contagious  
Everyone can rock out like a superstar

Let's get crazy  
Get up and dance  
Take a swing, do your thing  
If we're taking a chance

Let's get crazy  
Yeah just kick up your heels  
Don't miss out, time to shout  
Always keeping it real  
Let's get crazy  
Crazy

Our songs, our style  
Our hair, our smile  
Our laughs, our heart  
Our grace, our smarts

You see me on the cover of a magazine  
Remember, things are always different then the way  
that it seems  
Here's an invitation, to every nation  
Meet me on the dance floor and we'll make the scene

Let's get crazy

Get up and dance  
Take a swing, do your thing  
If we're taking a chance

Let's get crazy  
Yeah just kick up your heels  
Don't miss out, time to shout  
Always keeping it real

Let's get crazy

La la la  
Ohh whoa

Our songs, our style  
Our hair, our smile  
Our laughs, our heart  
Our grace, our smarts

Let's get crazy  
Get up and dance  
Take a swing, do your thing  
If we're taking a chance

Let's get crazy  
Turn the music up loud  
Now's the time to unwind  
Lose yourself in the crowd  
Let's get crazy

Yeah the fun's just begun  
Come on dance everyone

Here's an invitation, to every nation  
Oh oh yeah, oh oh yeah  
Crazy  
Take a swing, do your thing  
If we're taking a chance

Let's get crazy  
Yeah just kick up your heels  
Don't miss out, time to shout  
Always keeping it real  
Let's get crazy
